Verse 1

4
Like every wandering heart
1
Every wayward son

I know The weary road

But on the darkest of days
1
Still my heart could say
5
I know I never walked alone

Chorus

4
When I was gone
1
All along
5
My fathers eyes were on the horizon

He always knew
1
That in the end
5
He was the one I would come home to
4
Every hour
1
I wasted
5
Every battle I lost
4 1 5
My father was waiting to say with open arms

Welcome home

After the miles I walked

and the time I lost along

that hopeless road

Though I stumbled and strayed

Lord, I found the way back home

and it was just one step away
