Like every wandering heart

Still my heart could say  
E  
I know I never walked alone

D  
When I was gone  
A  
All along  
E  
My fathers eyes were on the horizon  
D  
He always knew  
A  
That in the end  
E  
He was the one I would come home to  
D  
Every hour  
A  
I wasted  
E  
Every battle I lost  
D A E  
My father was waiting to say with open arms

Welcome home

After the miles I walked

that hopeless road

Lord, I found the way back home

and it was just one step away
